PAYMENT POLICY

At Gulf Cove Dental, Dr.Feit and our team members are committed to providing high quality dental care at competitive fees. In order to keep the costs of your care competitive, we require prompt payment for all services rendered. The following paragraphs outline our financial policy.

For routine appointments such as cleanings, exams, or any dental work requiring an appointment less than 90 minutes, your complete payment is due on the day of service.

For services that require appointments over \$200, we require complete payment before the appointment is scheduled.

For your convenience, we offer several payment options to our patients. We will accept cash, check, Visa and Master Card. If you require financing, we offer the following options:

- Interest free payment plans are available thru Care Credit for 6 or 12 months depending on the procedure amount
- Extended payment plans for up to 60 months or greater are also available thru CareCredit with incurred interest.

Gulf Cove Dental is in-network with Delta Dental PPO, Premier and Cigna Dental insurance. Your patient portion is due when scheduling any appointment that is over \$200 for participating in-network insurances.

At Gulf Cove Dental, we are a fee for service office.

What does this mean for you as a patient with a non-participating insurance?

- We file your insurance claim
- Instead of the insurance company paying us, they will pay you

Past due accounts will be charged 3.5% interest for every month they are overdue.

We request your signature below affirming that you understand and agree to the financial policies of Gulf Cove Dental.
